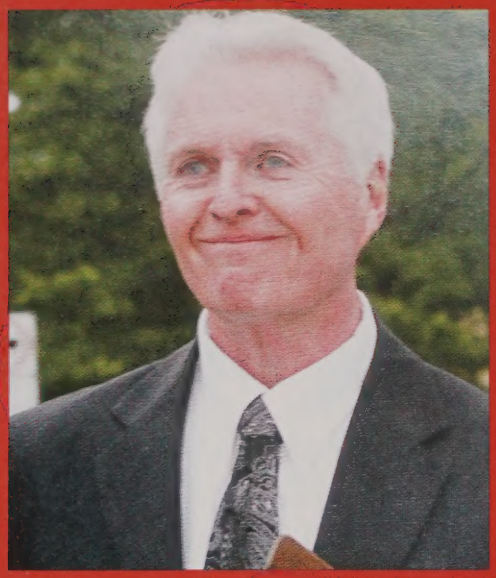
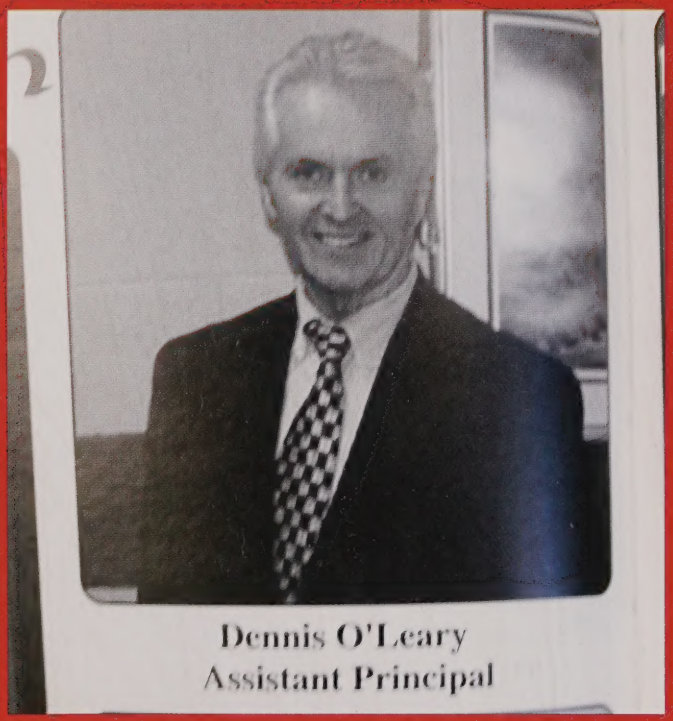
FILL IN THE DASH

"It is a great day to be a WARRIOR!"
-Mr. Dennis O'Leary

Mr. Dennis O'Leary





"It's difficult to decide if growing pains are something teenagers have-or are"-Dennis O'Leary. Mr.O'Leary has spent the entirety of his career guiding and supporting students with patience,humor,wisdom and authority. We were fortunate to have such a caring presence in our halls every day of our high school experience. Whether it was to encourage us to get to class, to listen when we were upset, or simply to remind us that it was "a great day to be a Warrior", Mr.O'Leary was always there. Even as leadership changed in our school, Mr.O'Leary was a constant. Although we have all endured growing pains throughout the past four years, he has played a role in helping us to mature and prepare for adulthood. This is a role he has had so many times in his career.

Mr. O'Leary received his Bachelor of Arts Degree from Salem State University where he also received a Master's Degree in Guidance Counseling and one in Educational Administration. Mr.O'Leary then received his C.A.G.S from Lesley Univeristy in Moderate Special Needs teaching. He began his career in 1979 in the Special Education Department of Malden High School. In 1985, he came to Wakefield as a teacher at the Alternative High School, then located at the Woodville School. Mr. O'Leary then became Assistant Principal at the High School in 1995. For 31 years, Mr. O'Leary has dedicated himself to the students of Wakefield. The Class of 2016 would like to dedicate this yearbook to him as a small token of our fondness and appreciation.

Thank you Mr. O'Leary! These halls won't be the same without you! Now it's your turn to "Fill in the Dash-"

Principal"s Message

Dear Class of 2016,

It has been a privilege to lead WMHS and get to know your class, especially your senior year. As seniors, you have all taught me about the academic strengths you all share, and the caring commitment you have towards one another and our school community. I will miss you all. I hope that you have had a wonderful experience at Wakefield Memorial High School, and you continue to challenge yourself to grow in the years beyond graduation. We look forward to hearing about your accomplishments, and I wish you the best for a successful life beyond high school. Good Luck with your future endeavours.

Sincerely,

Mr.Richard G. Metropolis

Kelly N. McLean's character can be expressed by her ambition to become a nurse, her nature around children whether it be babysitting or helping kids to swim and have fu and her glowing personality. Having been a miracle baby to begin with, Kelly became interested in the career in healthcare. The idea of helping people and making an impact on lives was an ironic concept because little did she know, she already had that effect on everyone around her. Whether she was in the classroom, in the pool cheering on friends a younger swimmers, or on the soccer field, Kelly was always positive, bright, and sporting big thumbs up. If you were ever given the opportunity to even have a conversation with Kelly you would understand how infectious her personality was.

Although she underwent several procedures, Kelly wore her beautiful smile no matter what. In Mother Teresa's words, "We shall never know all the good a simple smile can do". On March 3, 2010 God decided he needed this angel with him to impact more liv and to look down on ours through sunshine, and sometimes even a rainbow. We know Kelly was beside us all throughout our high school experiences, whether it be sporting events, classes, proms, or other activities, and hope that she continues to look down on us with our future endeavors. As stated in Carol Merkel's Afterglow, Kelly left an echo "of happy times and laughing times and bright and sunny days", which rings true to her memory immensely.

Kel, thank you for the impact you left on us as peers, teammates, and friends. You will forever be remembered and missed,
